

Wow - what an incredible AGM & Conference!

On behalf of the CBA Board of Directors, I want to extend a heartfelt thank you for your financial commitment to making our 51st AGM an unqualified success. Our objective was to provide a unique and stimulating three days that informed, entertained, and offered a networking forum for our members in a non-work environment.

It is important that our AGM & Conference is not just a work obligation, but an event that people look forward to each year, and then return to their businesses invigorated and refreshed, with lots of new and exciting ideas to implement.

Your generous contribution helped make our goal a reality by helping to offset the cost of providing exceptional evening events, superb entertainers and of course the team-building adventure challenges.

We were able to live up to our ambitious theme of **“Teams that PLAY Together WIN Together”**.

I am sure that all our members agree that The Adventure Activities and Canopy Tour (which were attended by virtually every Member and their partner) were an amazing adrenaline rush, enjoyed by both young and old. We faced our fears with ziplines and sliding at high speed, 65 metres above the trees. If you look at the photo galleries on our website, you will see lots of smiling faces, and enthusiastic team spirit. Some members really surprised everyone with their skills at paintball shooting and archery (so never mess with a CBA member!).

Of course, the work and education aspects of the Conference were not neglected. A full set of presentations is available on our website, and can be accessed in the future.

As the CBA continues to grow and support our industry, please know that partnerships with our sponsors are vital to our success. These help us to help provide practical benefit to our members in terms of sales leads, advice on legislative requirements and ensuring a sustainable South Africa through industry best practice.

You are truly appreciated!

Thanks again.
